PROFESSIONAL SUMMARY

Curious and motivated third-year B.Tech student with a strong interest in Artificial Intelligence, software technologies, and problem-solving. Passionate about exploring new tools, learning emerging technologies, and applying technical knowledge to real-world challenges. Skilled at quickly adapting to new concepts and collaborating with teams. Known for a proactive learning attitude, analytical thinking, and enthusiasm for sharing knowledge and innovative ideas with others.

EDUCATION

Bachelor of Technology (B.Tech) – Computer Science Engineering

Expected Graduation: 2027

Greater Noida College, AKTU

TECHNICAL SKILLS

Languages	C, C++, Java, SQL
Web Technologies	HTML, CSS, JavaScript (MERN Stack)
Concepts	OOPs, DBMS, OS, DSA Fundamentals
Tools	Git, GitHub, VS Code

PROJECTS

Student Management Application

Developed a MERN-stack Student Management Application for managing student records, attendance, and results efficiently. Designed a user-friendly interface with secure database integration for accurate and automated data handling.

HealthTrack – HealthTech Web Application

- Built using HTML, CSS & JavaScript with a strong focus on frontend UI & user interaction.
- Features included a BMI calculator, appointment booking system, and online prescriptions.

ATM Simulator System

Developed an ATM Simulator using Java Swing and SQL with features like login, withdrawal, deposit, and balance inquiry. Integrated database management for secure transaction handling.

EXPERIENCE

Fresher – Actively seeking opportunities to leverage technical skills in a professional environment, and eager to contribute to real-world software development projects.

ACHIEVEMENTS & ACTIVITIES

- **Problem Solving:** Solved 150+ DSA questions on coding platforms.
- **Participant:** TechInertia 3.0 Hackathon (GNIT, IPU) and Ideathon 1.0 (LTBIF).
- **Training:** MERN – College MERN Training Program.

SOFT SKILLS & INTERESTS

Soft Skills	Communication, Teamwork, Adaptability, Problem Solving, Leadership
Interests	Web Development, Startups & Entrepreneurship, Fitness, Learning New Technologies
